

DMIP Retreat 2011

Two-day seminar on current research in Medical Imaging Physics

May 20th (Friday) and May 21st (Saturday), 2011

Meeting @ NorthBay Maryland retreat center
(11 Horseshoe Point Lane, North East, Maryland, 21901)

<http://www.northbayweekend.com/>

Topics

Molecular Imaging

(Clinical, Pre-Clinical, SPECT, PET)

X-ray Computed Tomography (CT)

Ultrasound Imaging

Multi-Modality Imaging

(SPECT/CT, PET/CT, SPECT/MR, CT/US)

Contact

Please contact *Emad Boctor* (eboctor@jhmi.edu) by **April 30** for
meals and room reservations.

More information on our research activities can be found at: dmip.rad.jhmi.edu
